	Ready to Install Setup is now ready to begin installing Spybot - Search & Destroy on your computer.
	Click Install to continue with the installation, or click Back if you want to review or change any settings. Destination location: C:\Program Files\Spybot - Search & Destroy
	Setup type: Custom installation Selected components: Main files
	Start Menu folder: Spybot - Search & Destroy Additional tasks:
	< Back Install Cancel

If you are running some versions of windows, the installation routine may ask you to reboot your computer prior to using the program. At this point, the "Completing the Spybot – Search & Destroy Setup Wizard" will present you with one of two possible windows – as shown below and on the next page:

PC Cleanup Tasks – Setup Spybot Search & Destroy 1.5

24) The "Completing the Spybot – Search & Destroy Setup Wizard" window may present you with a choice of whether or not to start running the program at this point.

25) If you wish to start running *Spybot – Search & Destroy*, then just click on the "Finish" button near the lower right of the completion window.

26) "Completing the Spybot – Search & Destroy Setup Wizard" window may ask you to restart your computer.
27) Once your computer has been re-booted, you may useSpybot Search & Destroy
